

2024 WBDC Company Dress Rehearsal Weekend 2/24-2/25

Location: All dress rehearsals will be at Lakeaires Elementary School in White Bear Lake. Dancers should arrive with hair and make-up complete.

Changing Areas: All dancers will need to leave their dream duffles/bags in the cafeteria. This will be a female only dressing room. Dancers will not be using the gym (performance area) or bathrooms for dressing areas. One side of the dressing room is for changing and the other side is for warm-up. Dancers personal items need to be set up equally on BOTH sides. Custodial needs to go through the one side of the area which is why changing should be done behind the divided side for privacy.

Costumes, Hair, Make-Up: Full costume, hair, make-up, tights, shoes and accessories must be worn completely for dress rehearsal-no exceptions. Dream Duffles and personal belongings can NOT be left between rehearsal days at the venue. The full detailed costume document (how to pin, how to wear, care instructions, etc.) will be available in late January. Be sure that all dancers have tried on all elements of their costumes, including headpieces, BEFORE attending dress rehearsal.

Warm-Up: Dancers MUST be at dress rehearsal 100% **ready to go and warmed up** 30 minutes BEFORE the scheduled time. Dancers are responsible for their own warm-up. We run on time, if not early!

Booster Club/Water Bottles: All dancers need to have water bottle(s) with them at dress rehearsal. The Booster Club will be having food and drink options available for sale during the event.

Seating for Audience: We recommend a blanket or camping chair for all audience members. There will not be seats set up at the venue. Please be mindful/thoughtful of additional audience members and young siblings that don't enjoy sitting and watching the performances. We do not want to overcrowd the space and want to encourage an environment that makes all participants feel comfortable.

Photos/Videos: All audience members are welcome and encouraged to take photos and videos. The number of times a piece is ran is dependent on age, experience and what is best for the dancer(s). Dances will run from 1-4 times decided by WBDC staff. Please plan on videoing the first run so an opportunity is not missed to get a good video.

Classes at WBDC on Saturday 2/24: All Acro, Turns/Leaps, Small Groups, Hip Hop Classes, Production and Private Lessons are canceled.
